Insurance scheme for Clubs and Counties of Badminton England.

Continued litigation reinforces the need for all sports organisations to have full and appropriate insurance protection. Without it you could be held personally financially liable to compensate for losses for which you do not hold valid insurance.

The following covers provided are summarised over the page. We emphasise that details are a summary only.

Sport, Recreation and Leisure Liability

Sport, Recreation and Leisure Liability Provides protection from the consequences of claims against a Badminton England club/county for injury, financial loss or damage to property, where negligence occurs.

NOTE: this cover does not provide an automatic payment for injuries which would normally be the province of a personal accident insurance.

Important

The Sport, Recreation and Leisure Liability cover is provided on a "claims made" basis - It is essential that any claims or circumstances that might give rise to a claim are notified during the policy period in accordance with the terms of the policy wording otherwise the right for indemnity under this insurance will be forfeited.

It is therefore essential that all incidents or circumstances that might give rise to a claim are reported to Perkins Slade immediately.

Outline of cover

Sport, Recreation and Leisure Liability Hiscox Insurance Company Ltd HUPI61924865 & Zurich FD868072.

All badminton organisations have a responsibility to ensure that anything they do does not cause injury or financial loss to others or damage to property. If they do, and negligence is proved, they could become legally liable to pay compensation. Accidents in badminton can and will happen and in this litigious age clubs and counties are vulnerable to claims that can sometimes involve very large sums of money.

Appropriate cover is therefore essential and, indeed, it is demanded by local authorities before clubs can use their facilities.

Sport, Recreation and Leisure Liability provides cover for legal liability under civil law to the general public for personal injury or damage to third party property. This includes the opposite sections of cover:

The shaded areas of the table opposite are sections of cover provided by the Sport, Recreation and Leisure Liability policy over and above those of a standard Public & Products Liability policy.

Sport, Recreation and Leisure Liability provides clubs and counties with a breadth of cover that is rarely available through non-specialist brokers.
