Insurance scheme for registered coaches of Badminton England.

Continued litigation reinforces the need for all sports organisations to have full and appropriate insurance protection. Without it you could be held personally financially liable to compensate for losses for which you do not hold valid insurance.

The following covers provided are summarised over the page. We emphasise that details are a summary only.

Sport, Recreation and Leisure Liability

Provides protection from the consequences of claims against a Badminton England member for injury, financial loss or damage to property, where negligence occurs. Registered coaches must be operating in their own individual name or with a trading name if their turnover is below £10,000. They **MUST NOT** be operating as a limited company or employing the services of others.

NOTE: this cover does not provide an automatic payment for injuries which would normally be the province of a personal accident insurance.

Important

The Sport, Recreation and Leisure Liability cover is provided on a "claims made" basis - It is essential that any claims or circumstances that might give rise to a claim are notified during the policy period in accordance with the terms of the policy wording otherwise the right for indemnity under this insurance will be forfeited.

It is therefore essential that all incidents or circumstances that might give rise to a claim are reported to Perkins Slade immediately.

Outline of cover

Sport, Recreation and Leisure Liability Hiscox Insurance Company Ltd HUPI61924865 & Zurich FD868072

All badminton coaches have a responsibility to ensure that anything they do does not cause injury or financial loss to others or damage to property. If they do, and negligence is proved, they could become legally liable to pay compensation. Accidents in badminton can and will happen and in this litigious age coaches are vulnerable to claims that can sometimes involve very large sums of money.

Appropriate cover is therefore essential and, indeed, it is demanded by local authorities before coaches can use their facilities.

Sport, Recreation and Leisure Liability provides cover for legal liability under civil law to the general public for personal injury or damage to third party property. This includes the following sections of cover:

Public Liability £10m any one occurrence	Accidental bodily injury to third parties and/or damage to third party property arising out of your insured activities.
Products Liability £10m any one period	Accidental bodily injury to third parties and/or damage to third party property arising out of any goods sold or supplied by you (including refreshments)
Professional Indemnity £10m any one occurrence	Professional loss (financial or otherwise) arising out of errors and omissions. For example, bad advice (instruction / coaching) or failure to act.
Libel and Slander £10m any one occurrence	Protection against the consequences of defamatory statements, this is important in respect of any communications produced, or forums held online

The shaded areas of the table are sections of cover provided by the Sport, Recreation and Leisure Liability policy over and above those of a standard Public & Products Liability policy.

Sport, Recreation and Leisure Liability provides coaches with a breadth of cover that is rarely available through non-specialist brokers.

Indemnity is extended to include:

- Badminton coaching activities, including training, competitions and displays, social, fundraising and administrative activities
- Legal liability following injury or financial loss to a fellow coach/participant, or damage to property.

The limit of indemnity is the maximum amount of damages insurers will pay in relation to the settlement of a claim. There is no policy excess.
